📍 No.478/A, Hlaw Gar Rd, South Dagon Township, Yangon

Education

Dagon University - E Major

2019 - 2020 (Break For Now)

Other Qualifications

- Certificate of completion in AB Programming Training Center
- Certificate of Code Lab

Skills

- Proficient in HTML, CSS, JavaScript, JQuery, PHP & MYSQL.
- Strong understanding of responsive web design principles and CSS frameworks like Bootstrap.
- I have a solid understanding of CRUD operations in Laravel.
- Design Thinking

Work Experience

● Frontend Developer

Oct - 2023

Together with a fellow developer, I contributed to the creation of a camping website with a responsive frontend. Our collaborative effort included implementing secure PHP-based user authentication for seamless login and logout experiences.

● My Own Projects

2022 - 2024

- Build Features and applications with a mobile responsive design
- Design client-side and sever-side architecture
- In Laravel, I excel in routing, Eloquent ORM for efficient database relationships, and Blade templating for dynamic views.
- Experienced in troubleshooting and resolving a variety of technical challenges.
